Hello California Senator and Friends,

The last few months have been very busy in California. In February, we held our third quarter meeting at the Double Tree in Norwalk which is my home town. The California Jaycees also met for their year end meeting. Our weekend began with dinner at Outback Steak House. We had an awesome dinner and thank you Caren for getting all of us free appetizers!!! Saturday morning we met for our General Membership Meeting and were glad to see Past President of the California Jaycees and Senator Drew Frolich. Our meetings, of course are to carry out business, but most importantly they provide an opportunity to visit long time friends. We also gave out a few awards to some hard working senators. The Arman Gunnerson Memorial award went to Katina Repp and Stephen and Pamela Brown for always being there to help the Jaycees and Senate. Board Member of the Quarter: Caren Glines-Spilsbury and Senator of the Quarter: Gina Kortz. Thank you for all you do for this organization! Presidential Award went to our Chairman of the Board, Clarence "CJ" Jorif. CJ thank you for always being there behind the scenes to give advice!

Many of our auxiliary groups helped train the California Jaycees after our General Membership Meeting. We continued that support by attending their Awards and Installation Dinner that evening. Dave Repp was awarded Auxiliary member of the Year. Congratulations Dave! After their dinner, we were ready for some 1970's sitcom trivia and Pet Rock races in the Senate Suite. I am sure our Vice President, Jeanne Vanderhyde, will be giving some great details in her article. We invite the Jaycees to join us for the Pet Rock races. We all had a "rocking" good time! Our next meeting is the weekend of May 4-6, 2012 at the Wyndham hotel in San Jose. We will be electing our new Senate team and having our Awards and Installation dinner. We will also be voting on a bylaw change. Make sure to read about the bylaw change inside the newsletter. Our theme for the weekend is 1980's sitcoms. Information on the meeting is inside the newsletter.

In March, the weekend of March 23-25th, California hosted the

As your US JCI Senate Region X NVP, I'd like to take this opportunity to thank everyone who took time out of their busy schedules to join us at the Region X Meeting. Our Region X Meeting was held from March 23rd - 25th, 2012 at the Holiday Inn Hotel Anaheim Resort Area - 1915 S Manchester Avenue, Anaheim, CA 92802. Special thanks to the following individuals who are truly my superstars: CA JCI Senate President Lorraine Neal; CA JCI Senator Kris Julin - Chairperson, Region X Meeting; Rodger Johnston - Chef Extraordinaire; CA JCI Senator Gina Kortz; CA JCI Senator Sonia Rodriguez; CA JCI Senator Ron Andrade; CA JCI Senator Caren Glines-Spilsbury; and CA JCI Senator Sandy McManus. You deserve the recognition for the good times and the good fellowship that was enjoyed by all.

It's been an honor to serve the CA JCI Senate as Chairman of the Board this past year. President Lorraine and I have worked closely together and grown together as a team over the last three years. I commend her for weathering the trials and tribulations that she did throughout the year (personal, professional, and within the

CA JCI Senate).

Thank you to all of you who have supported me, mentored me, and provided guidance to me throughout the years. You are the epitome of what it means to be a good friend and confidant. I wish you continuing success in all of your endeavors in the coming years.

Region X Meeting in Anaheim. Kris Julin chaired the meeting and did a FANTASTIC job! Thank you Sonia Rodriguez and Ron Andrade for helping Kris out on Friday! We had visitors from all over of the Region X area, plus many National guests, including U.S. JCI President, Steve Sutherland and his wife, Dawne Sutherland. Region X Vice President, Clarence "CJ" Jorif, ran a great membership meeting. President Sutherland spoke and reminded us of the importance to recognize and honor Jaycees who worked so hard for our organization with a Senatorship. He also reminded us to reach out to our Jaycee chapters and mentor them as much as we can. Thank you Roger, husband of Kris Julin, for creating and cooking amazing meals for all to enjoy the whole entire weekend. We all attended Medieval Times on Saturday night and had so much fun. Thanks to all the California Senators who came out to support Region X.

It is really hard to believe, that my year as President of the California Senate is coming to an end. I have enjoyed every minute of representing all of you this past year. Thank you to our Board for all your time and hard work! There are so many people to thank for making this year successful. Special thanks to Gina Kortz for taking over the Treasure position, Terry Couture for getting all my email blasts out, Tommy Domino for keeping me updated all the time, Herb Pike and Clarence Alvey for your words of wisdom, and Caren Glines-Spilsbury for always being there to listen!

I wish you all the best and much success in the next year! Most of all thank you all for "Celebrating Good Times with Great Friends" this year! Travel safe and see you in San Jose!

Vice Presidents Report

First - Wow! The end of the year is already here....time just flew by....

In Norwalk we had our nod to the 70's. The hit of the weekend was the Pet Rock Races held Saturday Night. Some of you were sighted putting your rocks through rigorous training regimens. The big winner was Doug (Did he enter a ringer rock?). The Jaycees joined us and I think everyone had a great time. Many thanks go out to Doug (for building the race track) and my usual team of fun people; Judy, Gina, Debbie and Laurie. Without them the fun ideas would not keep flowing.

To date we have celebrated 50's, 60's and 70's sitcoms. The May meeting is the 80's. Friday night we will pay homage to your favorite comedy...Mork & Mindy, Cheers, Different Strokes, Married with Children. BUT...

On Saturday we will be celebrating the Run for the Roses. Since it is the First weekend in May we will be having a day and night at the races. We will be celebrating 80's greats such as: Genuine Risk and Winning Colors both fillies who took home the Kentucky Derby crown. Other winners included; Gato Del Sol, Pleasant Colony, Alysheba, Swale, and jockey legends Shoemaker, Pincay and McCarron.

In the suite we have fun, fun, fun planned. Friday night we will be serving dinner in the suite. The menu is still being worked out and an update will be sent in an upcoming Eblast. After that we will have light hospitality in the suite until we fall asleep.

On Saturday, we will have a light lunch in the suite before we start the many other activities or jaunt off to see the local sights. For local sights, our hotel in San Jose is adjacent to the Light Rail system that will take you to downtown San Jose (only 5 miles away). There you have your choice of the Museum of Art, The Tech Museum and many other fun things.

Before you take off you may want to adopt your horse for the evening Night at the Races. Each of you will have the chance to know what it is like to have a horse in the big race. You will name your horse and design your jockey's silks; all this while watching the undercard of the Kentucky Derby. At 3:24pm all eyes will be on the TV for the 138th Kentucky Derby.

Saturday evening we will have the 1st CAJCI Night at the Races. There will be prep races leading up to the **BIG ONE**. A Bookie will be available to accept your wager. There will be a Derby Hat parade, trivia contests (both Derby and sit-com related) and too many other fun things to all be listed here. As usual there will be bagels and toast in the suite with coffee to get you on your way home on Sunday.

Finally - This has been a fun year and I thank everyone for allowing me the opportunity to serve as your Vice President. By your participation and support you have made it a year that I will always remember. Thank You! Now I ask for your support ONE more time. Please come to the May breakfast meeting and cast your vote for Jeanne for President of the Great California JCI Senate. I promise to make you proud! Feel free to call me with any questions.

Take Note... From Your Secretary

Greetings Fellow Senators,

What a great time it has been this year, sharing in "Good Times with Great Friends." Hard to believe that the year is drawing to a close, but it is! Thank you to President Lorraine for asking me to be a part of her Board, it has been an experience I will never forget! Especially being the recipient of the first Arman Gunnerson Memorial Award, that moment was truly special!

To those of you that will follow down this path of leadership, I wish you "best of luck." While it hasn't always been easy, it has always been easier because of sharing it with such great friends!

Looking forward to seeing you all in San Jose in May!

Yours,

Caren Glines-Spilsbury

CA JCI Senate 2011-2012

Attention California JCI Senators:

The following bylaw will be voted on at our fourth quarter meeting in San Jose, CA, May 5, 2012 at the General Membership meeting.

Please review and if you have any questions, please contact Lorraine Neal by email: cajcsenate.president@cajayceauxs.org.

Article IX Funds

Reason for bylaw change is because of the current economic situation in California, interest rates are extremely low. The interest on the Lifetimes Fund account cannot cover the cost of the Lifetime dues to U. S. JCI Senate, which has impacted our fiscal budget over last three years. Traditionally, we have been able to cover the cost of dues with the interest, but with interest rates so low, we can't pay dues with only the interest. We have been taking money out of our regular budget to cover the Lifetimes dues to U.S. JCI Senate.

LIFETIME FUND

Currently reads:

Section 4.

Funds realized from Lifetime Dues payments by members of the "organization" shall be restricted funds. No monies may be removed, borrowed or disbursed from the Lifetime Fund except for the interest thereon which may be deposited into the general fund.

The proposed is to change the section to read:

Section 4

Funds realized from the Lifetime dues payments by the members of the "organization" shall be restricted funds with the exception of Lifetime dues to U.S. JCI Senate. Monies may be removed from the Lifetime Fund annually to pay Lifetime member dues to the U.S. JCI Senate only if there is a shortage between annual U.S. JCI Senate dues, less the interest from lifetime dues account and *regular membership dues to U.S JCI Senate. No other monies except as specified herein may be removed, borrowed or disbursed from the Lifetime Fund except for the interest thereon which may be deposited into the general fund.

*Regular member dues are paid annually and are not Lifetime members.

Regional Reports

R E G I O N 1 & 2 REPORT

Region 1 & Region X Meeting

Constantly being on high alert all week, checking the weather in Anaheim for the upcoming weekend, was very stressful to say the least, especially as most of the events I had planned for the attendees would be held poolside.

But luckily, the rain and cold (not according to President Lorraine, who was cold the whole weekend) was kept at bay.

Friday, everything was packed up and ready to go at 12.30, as that was the time CJ was supposed to come and help me take everything needed to the hotel. 12.30 came around, 1pm came around, 1.30 came and went. The whole time asking for ETA via text. No response. By 2pm, though still calm (it's a age thing), I give up waiting and think who else could help, as I did not have enough room in my car. My heroes of the day, were Sonia Rodriguez and Ron Andrade, who were actually on their way and had just past my exit on the freeway, so they were able to pick up everything that was ready to go.

We got to the hotel 2 hours late, and Ron kindly helped me unload everything in the hospitality suite and promptly left with Sonia for food. I had to get everything organized by 4, when we would open registration.

Slowly but surely, the Senators started to arrive, with Joe A with Margaret, was going cold turkey, because Doug Myers had the Jack Daniels, and was NOT in the suite when Joe A arrived. Dougie's excuse, he thought he was providing additional. Really Doug, this group are not heavy drinkers.

Able to start relaxing, we were able to move poolside, as My husband Rodger was preparing the dinner, which turned out to be Teriyaki marinade chicken thighs and rubbed pork. Plus a lot of other foods, topping it off with a personalized chocolate cake.

We had over 25 attend the dinner outside, including the National delegates, namely Steve Sutherland and his delightful wife Dawne, Larry Bohn (pronounced Boon, so we are changing it for him) and his wife Ronnie, Randy Young, Bruce Geddes, and Phil Friedman. the party started and the food was enjoyed by all. At around 9, Sonia had arranged via Disneyland to have a fireworks display, she even had background Disney music. Randy was most impressed.

During the dinner, Sande McManus, Katina Repp and Judy Keating arrived and the party could begin.

Some of our CA Senators, no names, Clarence and Tess Alvey were cold so went inside, together with the Arizona delegation of Jim Hampshire, Dianne Von Borstal, Cindy Naylor, Elaine Rudolph to keep warm, and also that was where all the booze was.

Exhausted by 11pm, Rodger and I left for our suite, in the adjoining hotel, as that had a full kitchen, so we could store and cook.

Saturday Breakfast, was a typical CA Senate breakfast, with lots of chatter and laughter. The National Delegates made their election presentations and President Steve after a few stories, thanked CA for putting on the meeting.

The meeting did go on a lot longer than intended, so lunch was late, as Rodger had to go home and prepare lunch, a specialty sausages in pasta with truffle oil. Another successful meal, some stayed on outside till it was time to leave at 4pm to head over to Medieval Times.

Now, this was not something I wanted to do, but CJ demanded, so I gave in and arranged for the tickets. In actuality fact, Rodger was so excited it was very scary. The evening there was very successful and everyone had a blast. It turned out that Rodger and I knew one of the performers in the show, funny he never told us.

Back to the hotel by 9, now the hotel would not provide us with enough chairs, because it was a fire hazard, so something I thought I would never see, Senators sitting on the floor and having a cool old time. That will certainly be a memory.

I was completely knackered, so left, but instead of a good nights sleep, which only came for 3 hours, I lay there thinking what I had to do.

Gave up and was at the suite early to get breakfast goodies ready for all the departing guests, surprisingly enough, around 16 were there, chatting away, not a usual sight, but really cool.

By 10am, everyone left, Rodger, Lorraine and I packed up and we left to get home and die quietly.

What a wonderful weekend, and I have not heard any negative feedback, so I assume everyone had a great time. We certainly did.

Susie Irvine Memorial Scholarship Fund

Susie Irvine passed away while serving as regional Vice President shortly after her Region 10 meeting in April 2009. She touched the hearts of many; was a gracious hostess, mentor to the Jaycees or a friend, and made sure that you felt welcome wherever you were.

The California Senators want to honor her memory and leave a lasting legacy in her honor. Susie's love for this organization and for all of you was strong and deep. The Jaycees and JCI Senate were literally her life and love.

The California Senate is committed to honor her memory with a scholarship named in her honor. To this end we have begun an effort to raise the needed funds through contributions from the many folks whose lives she touched and the friends she made throughout her short life.

The funds can be donated to the California Jaycee Foundation, a 501-c-3, charitable foundation. The CA JC Foundation will accumulate the funds throughout the year and present them to the US JCI Senate Foundation at their national meetings.

We would be honored and grateful for the support of Senators, Senate States and friends of Susie Irvine.

An attractive pin honoring the Susie Irvine Memorial contributions will be presented to the donors as they reach increasing cumulating levels.
