Terrible Tiger Report

ROAR ... that felt good!

Hello California Tigers, My Name is Cary Tylka and I am excited to be the Terrible Tiger for this year. I have a fantastic board that has stepped up to help us make it be a fun filled year.

Looking back on my Jaycee career: I joined North Hills Jaycees in 1983, the home Chapter of one of the Tiger's Founders, TT #2. I was inducted into the Tigers in 1993; I took a break from the Jaycees in 1998 but still went to a few local Tiger meetings to keep up. In 2009 my big Brother TT #34 called me up for help as a Tiger Pride Director 2009-2010, Tiger Tamer 2010-2012, and currently Terrible Tiger #37. Thank you to TT #35, Debbie Procedo for swearing me in.

We kicked off our year with our planning session at Harris Ranch it was a great weekend for us. The Board came to an agreement after looking at the current membership. We are in serious need of help to recruit new Tigers. The Jaycees are hurting too "Family Takes Care of Family". I know there are Jaycees out there that are worthy of being a Tiger but have some issues.

I have been out visiting chapters and seen members that are Tigers but don't wear their pin. WHAT'S UP WITH THAT? They just don't have pride, I guess but back to my point WE "meaning the Tigers" NEED NEW MEMBERS to keep us going. Go out to a chapter event, introduce yourself as a Tiger and ask if they need any help. It may not happen at that moment, but it will get the thought in their head for the future. This is also a good way to monitor prospects. I've heard from many people that the Tigers are just a social organization and I thought we were a resource to help teach and train after all aren't we supposed to be the best of the best? So, pass it on don't Bogart it!

We all came from the Jaycee Family and the Jaycees are in need of assistance whether it is with manpower at a project

or membership recruiting. I will be helping Pasadena out with their 5 Acres Kids Party & Salinas with their Rodeo Bar while others will be up North at the Salmon feed doing training.

I am looking forward to seeing old and new faces in August at the State meeting. Because I sure know there are a lot of Tigers in SoCal.

Tight Tiger Report

Hello everybody. I am starting my second term as Treasurer or Tight Tiger. I am looking forward to helping keep the Tigers on the right track financially. What does the Tight Tiger do? First thing I do is keep track of how much money the Tigers have. The second thing I do is make the Tiger budget. Third I am responsible for fundraising. Fourth, I give the financial report during Tiger meetings. That means that I have to do some public speaking. So, being the Tight Tiger is more than just balancing the Tiger checkbook. The budget for the 2012/2013 fiscal year will reflect a greater effort to encourage annual members to become life members. Also, there are plans to offer new products. One of them is a Tiger t-shirt that can be worn during community service projects. Finally, we still have advertising space in the Roar. I am looking forward to an exciting second term.

Hello Tigers,

We are in for an exciting year. This year the California Tigers are going to adopt a new signature community service project. This project will allow us to teach by example without having to preach about how it was done in the good old days. The Jaycees will get to see us in action, taking a newly conceived project from the ground up and making a huge positive impact on communities across California. To launch this new endeavor we need to establish our incorporation as a separate entity and have our own insurance. One of the fundraisers we have started to help raise monies for these operating costs and for our new project is a new Class B Tiger uniform t-shirt; which will be a white t-shirt with the black outline of our Tiger pin on the back and a standard black and white Tiger shirt logo on the front left shoulder. This new t-shirt can be worn at any social or community service event where a Tiger shirt is not required while allowing the community at large to identify the Tigers at a glance.

Other items on our agenda for the year are Tiger social events each month alternating in the North and South and chapter visitations. The last weekend of June several Tigers attended the All-American-Zin-Day in Sonoma, California; we visited 6 wineries, tasted lots of yummy wines and had great food, a wonderful time was had by all. In July we have the all famous Crescent City Salmon Feed, and the several Tigers are going to help out at the Salinas rodeo. The best is yet to come at the August convention we are doing RC races ... yes I said remote control car races... at our Friday Night Tiger Social...and yes I said social and not general membership meeting...because who needs to sit through yet another meeting on a Friday night when we could be having fun!!!! Certainly it's not the fun loving Tigers I know. So I want to encourage all of you to bring your favorite RC car and see who you can put to shame on the race track. See you all in Glendale.

I am holding two positions on the Tiger board of directors. The second one is Secretary of Tiger Paw. What does the Tiger Paw do? I make the agenda and write the minutes for meetings. Also, I take the roll call for the Tiger officers in meetings. In addition, I am responsible for ordering the name badges for the officers. Last but not least, I am the Editor for the Roar, the Tiger newsletter. Being the Editor of the Roar, I have the exciting opportunity to keep the Tiger membership informed about what goes on in the Tigers. Of course, I hope you will also find the newsletter entertaining and inspirational during my term as Tiger Paw.

Greetings Fellow Tigers! It has been a long time, but I'm glad to be back as your Nasty Tiger. This year, it is our hope that we will be able to assist the California Jaycees with their I.D. Competition and Training needs. With that said, the Tiger's will be judging the competitions at the August meeting in Glendale. I could use your help. If you are interested in being a judge, please contact me ASAP. Cindy Barrett and I will be working on the specific competitions, and I will get back to you on where you will best fit.

The Tigers will also be putting together F.O.T.S. North and South and I will have more information on those dates, locations, and topics shortly.

If you know of a chapter that is in need of training or assistance in any way, please let me know and I will endeavor to get it taken care of. With your help, I'm confident we will be back on a road to success.

I look forward to a fun year ahead. If you need me, you can contact me at any time.

Yours in Jaycee Spirit,

Pam Morgan

Major Jaycee Events in July

One of the major events in July is the Crescent City Jaycees Salmon Feed, which happened in the Camper Coral in Klamath, July 20 to July 22, 2012. Saturday, July 21st, in the morning was the much talked about French toast cooking contest between State President Henrick Helgesen and Past California JCI Senate President Katina Repp, which was going to happen during the Salmon Feed. Katina Repp made French toast stuffed with cream cheese and pecans, and they topped off with caramel sauce. Henrick Helgenson went with the traditional cinnamon bread toast sprinkled with powdered sugar, and topped off with maple syrup. Katina Repp won the contest. Of course there was salmon roasted over a wood fire pit, which was for dinner Saturday evening. Saturday night was the white elephant raffle, where \$490 was raised, one half going to the Susie Irvine Memorial Fund and the other half going to the Crescent City Jaycees general fund. During the Salmon Feed weekend everyone had a great time hanging out with friends, camping, and having parties late night.

At approximately the same dates, July 19 to July 22, 2012, the Salinas Jaycees had their Salinas Rodeo Bar.
