## Letter from our Terrible Tiger - Brian Omatsu

Happy Holidays California Tigers!!

Wow! We had a truly amazing and fun-filled last quarter. Whoever missed the November meeting and our Future Officers Training Seminar we put on for the California Jaycees truly missed out! The topics covered and the participation by our Tiger and Senate trainers was absolutely fantastic. I know that our Nasty Tiger, Debbie Procedo will be thanking those who helped out so I will leave that up to her.

I have been doing some traveling recently to promote the FOTS weekend held in Visalia and there are some really amazing chapters out there. If you have a chance, stop in and see Santa Clarita Valley. Their GMM was VERY well-attended the night I was there and it was very good to see. Also check out the San Fernando Valley Jaycees. They were pretty much standing room only and they run some terrific programs. If you live in the vicinity of these chapters, go on in and check them out. Sometimes they need help with manpower and if you're available to help them, please do so.

I want to take this time to welcome our newest Tiger! His name is Dale Thompson and he is Tiger #1220. Dale comes from a long line of Jaycees, his mother being one of the first California Jaycee Women from the Ventura Jaycee Women. She was also the first female in our State history to run for State President. Dale was younger at that time and still remembers that convention. Dale is from the Ventura County Jaycees and is the first one from that chapter so honored. When you see him at the next meeting, please welcome him in as he so richly deserves the honor we have given him.

When you see the next two individuals please congratulate them. Our Tiger Officer of the 2nd Quarter was Jeanne Vanderhyde. Jeanne lives in Baltimore, MD, full time and comes out as often as she can to help with the training for the Tiger Corps. Her unswerving dedication and fierce loyalty to the Corps singled her out for this honor. Our Tiger Member of the 2nd Quarter sponsored the Presenter at the FOTS weekend and is an outstanding example of what Jaycees have taught us. He is an active participant on the Corona scene and I truly felt he was very deserving of this award for all he has done. Please congratulate with me, our Tiger of the 2nd Quarter, Mr. Bobby Spiegel!!

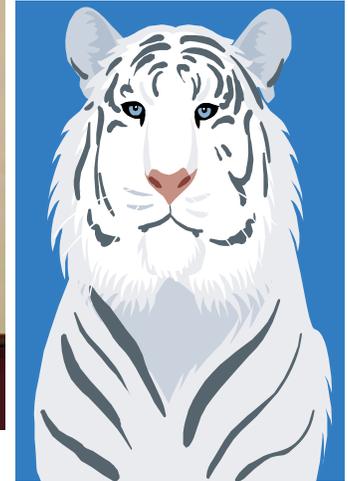

In closing, we are halfway through our year and we have some exciting things happening in the next 6 months. We will probably be hosting a Corps of Corps meeting in Concord in June (if it looks like attendance will be there after I visit the Corps of Corps in Pigeon Falls, TN in Feb), we will be having a couple of Tiger Colleges and we are looking forward to seeing you all sometime in February. I will be out traveling to different chapters in the new year and if you would like to meet me there or go with me, please let me know.

Happy Holidays to you and your families and may 2010 be a truly blessed year!!!

## Nasty Tiger Letter

Hello Tigers,

The last quarter was all about FOTS for me, and I would like to thank all of my friends for helping with this huge project, Jeanne Vanderhyde (trainer and training coordinator extraordinaire), Judy Keating (my go to girl), Laurie Ellsworth (copy master and gofer), Sandy McManus (negotiator), and Gina Kortz (expert hotel coordinator); and the trainers: Jeanne Vanderhyde, Sandy McManus, Camille Smith, Rusty Watkins, Dave Repp, Katina Repp, Debbie Holbrook, Kristin Hampton,

Lynne Hansen, Cindy Barrett, Judy Keating, Dave Acoba, and Brian Omatsu, sorry if I missed anyone. We could not have accomplished this training without All of the Tigers who were there to help out. The feedback I received was positive and I think we should do it again next year.

I seriously cannot say enough about my fellow Tigers and how they all came together to make sure that our vision for FOTS happened. It was very inspiring to see the old (Past TT's) and new Tigers come together to

make this work. The Tiger Pride was there and I truly appreciate all of your efforts.

I can't wait to see all of you in the new year. Please take care.

HOPE YOU HAVE A SAFE AND HAPPY HOLIDAY SEASON.

## Note from Our Tiger Tamer - Cindy Barrett

Greetings and Salutations Tigers!

First and foremost, congratulations to Dale Thompson of the Ventura County Jaycees for stepping up and becoming a Tiger! Dale, may you wear your tiger with pride, and assist all those that ask for your help! Second – a sincere thank you to Jean Vanderhyde and Debbie Procedo for all their hard work with FOTS, you guys totally rock. Also thank you to all the trainers who stepped in and made it successful! Remember we are always looking for bright new members to join the pride, please keep your eye out, and let us know if you think there is someone out there willing. On the opposite side if you know of any reason someone doesn't want to be a Tiger, I would be interested in hearing why. Grab your coat, your hat, strap on your seatbelt, and here we go into 2010, it's time to party!
